EXPERIENCE

Bridge Up - Software Engineer Intern | Spring Boot, Core Java, Jenkins **July 2024 - Present**

- Collaborated with the core development team to implement scalable backend solutions, contributing to a 20% increase in process efficiency and supporting the company's expansion into 2 new business areas.

Kavita Enterprises Software Engineer Intern | Java, HTML, CSS **Jan - April 2024**

- Developed an ERP system that reduced process times by 30% and improved data accuracy by 25%, enhancing operational efficiency across multiple departments.
- Ensured seamless integration with existing systems, resulting in improvement in data accuracy and reporting.

PROJECTS

Trading Application | Spring Boot, Hibernate, Thymeleaf, J2EE **May 2024**

- Engineered a trading platform with Spring Boot, Hibernate, Thymeleaf, and Spring Boot Security, boosting execution speed and Security features
- Develop a comprehensive admin dashboard for managing stocks, users, and system settings.
- Enable users to create and manage their own stock portfolios.
- Optimized platform reliability and user engagement by implementing advanced error handling, secure authentication mechanisms, and efficient content delivery, increasing user satisfaction.

Invoice Processing Software | Java- Spring Boot, Hibernate, MySQL React **Aug 2023**

- Led the development of an invoice processing software solution, resulting in reduction in processing time and optimizing workflows.
- Ensured secure handling of financial data and facilitated seamless integration with external systems, enhancing operational efficiency and scalability.

Blockchain based Banking System using Java | Java, OOP, Blockchain **June 2021**

- Developed a secure blockchain-based banking system with real-time transaction verification. Managed data storage and retrieval efficiently using blockchain technology, ensuring transparency and immutability.
- Implemented robust security measures to ensure data integrity and reliable banking solution

EDUCATION

Thadomal Shahani Engineering College - Bachelor of Engineering **2022 - 2025**

Computer Science (Major : Artificial Intelligence and Data Science) - CGPA - 9.01 *Mumbai, India*

Vivekanand Education Society Polytechnic - Diploma **2019 - 2022**

Computer Engineering - Percentage - 84% *Mumbai, India*

TECHNICAL SKILLS

Languages: Java (Proficient), C++, C, Python, PHP, JavaScript, SQL

Technologies/Frameworks: Spring boot, Django, MongoDB, Express, React, NodeJS, Postgres

Developer Tools: Git, GitHub, VS Code, PyCharm, IntelliJ, Canva, Figma

Soft Skills: Leaderships, Creativity, Time Management, Analytical Skills, Written Communication

CERTIFICATIONS

Introduction to Spring Boot - Telusko

EXTRACURRICULAR

- Author of 100+ tech blogs covering a wide array of topics, from development tutorials to cutting-edge trends and innovations on Medium.
- Participate in Regular Competitive Programming Contests. Solved 300+ Problems. Utilized : C++
